

OFFICE OF GENERAL COUNSEL

INFORMATION FOR THE DIRECTOR'S LOG

Submitted: 13 March 1951

1. (12 March) -- Obtained concurrence of Chief Counsel, Bureau of Internal Revenue, to proposal that NCFE and certain of its "stipendiaries" need not file tax returns by 15 March, and that if later review indicated that taxes were due, time for file would be extended at that time.

Also discussed with him establishing direct liaison between our offices for consideration of technical and legal problems which are increasing in size and complexity. This liaison to be in addition to existing liaison for secure handling of the returns and other problems, administrative and non-technical in nature, arising out of covert operations.
